Dear Brothers and Sisters,

Some have asked what the outcome was of the February Conference Executive meeting to select a new conference president to replace Ed Keyes. Out of that meeting, three names were selected in priority. Unfortunately, all three have declined the offer to serve as the Nevada-Utah Conference president. The special Conference Executive Committee will convene again April 24-25 to further deliberate and elect the new president. Please keep this process in your prayers.

I would like to extend a few warm welcomes to individuals assuming new ministry roles. We welcome Sydney Long as the new permanent Administrative Assistant and Office Manager. Delnita McDavid is now serving as Production Assistant. Lastly we welcome three newly elected elders: David Appel, Grace Mwero and Frank Richo.

We are seeking volunteers in two key areas. We are needing volunteers to assist at the church office during the week. Also, we are seeking individuals who are interested in the photography ministry, the radio ministry or the A/V ministry. If you are willing to be involved in either of these ministries, please contact Sydney at the main office number (702) 438-8000.

So here is an update on the renovation project. The Facility Committee is continuing to research and secure bids for the various jobs within the project. At this point, preliminarily, the target total project cost estimate is about \$400,000.00. It has been determined to pursue a loan from the Pacific Union for \$250,000.00 and to begin with the first phase of the renovation of the sanctuary (roof, a/v, lighting, carpet and upholstery). The second phase, which will be all remaining projects not funded by the loan, will be itemized out in priority. As funds are gathered for each project in phase 2, it will be accomplished. Part of this overall process is creating, voting and funding the new 16/17 budget to ensure we will be able to cover all the new expenses. The budget subcommittee has begun working with the goal to present the new budget and the total renovation project to the church members in June for action. Until that time, you may continue to contribute to the renovation project by marking your contribution "Renovation". Contributions marked "Sacrifice Offering" and "Building Fund" will also be set aside for the overall renovation project.

I have decided to extend the *Faith of Our Fathers* sermon series by three sermons. You will notice them on the May calendar. The additional patriarchs covered will be Gideon, Elijah and Elisha. Remember if you have missed one of the earlier sermons in the series or any sermon preached here at Mountain View, you can go to www.MVCSermons.com to watch it online.

Your friend and brother in Christ,

Pastor BJ Boles

PROVIDENT GARDEN

You may have noticed a garden being installed on the back lot of our church lot. The Mountain View Church has entered an agreement to allow *Provident Garden*, a nonprofit community garden, to use the lot. While Mountain View is not running the garden, we certainly feel it to be a partnership that will be a great community outreach and that the promotion of growing fresh vegetables and fruits to be in harmony with our values. *Provident Garden* is offering those in the Mountain View congregation a special offer on buying a planter box. Water has been run to each box. Please see the details below.

4' X 10' PLANTER BOX

One time cost = \$75.00

Monthly Water Fee = \$10.00

Contact Ken Truman (Provident Garden President) at 702-271-0444 or Nedra Hoogland at 702-379-5288 or email at nedrahoogland72@gmail.com. You will need to provide your Name, address, phone, and email address.
