Mountain View Messenger

Dear Brothers and Sisters,

We are pleased to share that the total funds collected from our recent *Sacrifice Offering* combined with previous *Building Project* moneys raised equals **\$41,297.00**. We praise the Lord for this tremendous **start** to the campaign!!! Thank you for your support of repairing the Lord's house. The Facility Committee is nearing completion of its report which we will process through the Finance Committee and the Church Board and then present to the church as a whole. Our plan is to have a renovation proposal and the loan application details by March or April. We encourage you to continue to consider the Renovation Project in your regular giving as the whole project will be into the hundreds of thousands. Perhaps you would consider a monthly offering amount to contribute? To give toward the renovation project, simply mark your contribution "**Renovation Project**".

You may now easily access the secure website to contribute your tithes and offerings online. Our church has a unique webpage within the "*Adventist Giving*" website that is sponsored by the North American Division. Registration for online giving is simple, free and secure. To go directly to the Mountain View Church online giving page use this link: www.MVCGiving.com.

I would like to share a new web address with you that will take you directly to the sermon archive of the Mountain View Church. Previously, it was quite cumbersome to direct people to where our sermons are archived. Now, however, all you have to do is go to: www.MVCSermons.com. This address will direct you straight to our church channel on www.UStream.com where you can browse the sermon archive or watch any of our church's live events. For your convenience, the sermons have been labeled with a cover slide and trimmed of other material to just be the sermon itself.

We have been doing some work on our church website (www.Come2MountainView.com). While there are things still in development I wanted to bring your attention to a few items of interest. The MVC bulletins, calendars and newsletters are now accessible through the NEWS section. The CALENDAR is now updated with all the current events with information and contact details. The WORSHIP and GIVING pages have been redone as well. There is a daily DEVOTIONAL page also. We will continue to revamp and expand this important communication tool, so check it out regularly for updates.

I wanted to let you know of a couple upcoming events you will want to mark on your calendar. Firstly, on Sabbath, March 26 (Easter weekend), Steven Mosley will be presenting "Chosen Garment," which is the whole Bible in one act! Invite your friends to this-never-to-be-forgotten worship experience! Lastly, please keep April 29 and 30 highlighted for our first annual *MVC Homecoming*. We have eight previous Mountain View Church pastors joining us for the *Homecoming* celebration!

Your friend and brother in Christ,

Pastor BJ Boles

CHURCH FINANCE

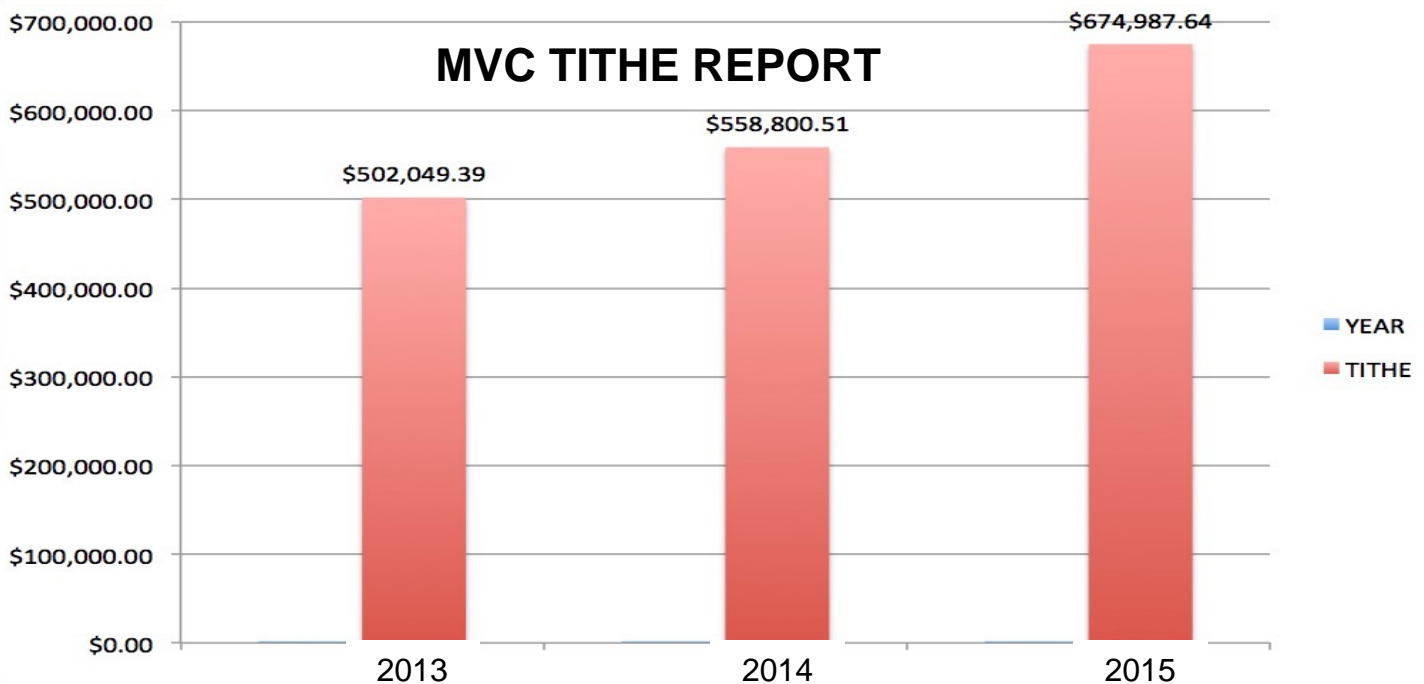

Please note the following two charts that track statistics in two key areas: tithe and membership. Two important notes about each chart. Firstly, the membership chart does not reflect 43 members who transferred out to start the *Paraiso SDA Church*. Also, this does not reflect specifically the 189 baptisms and Profession of Faiths we have had over the last two years. This chart reflects net growth so it also has to consider transfers out and deaths. Also, please note that tithe collected does not indicate offerings collected. An offering chart will be shared in the next issue of *Mountain View Messenger*. As a reminder, 100% of all tithe is sent on to the Nevada-Utah Conference for the furtherance of God's work. We do, however, receive benefit from these funds in the form of Conference support, evangelism and most significantly, the salaries of pastors and teachers. Offerings marked "General Fund" or "Church Budget" go to financially support all the budget of the Mountain View Church.

NV-UT PRESIDENT

As many of you probably know by now, Ed Keyes (President of the Nevada-Utah Conference) has accepted a call to serve as the President of the Arizona Conference (Effective February 1). Nine additional representatives (3 from each region) will augment the Conference Executive Committee in a two day process to deliberate and elect a new president. This process will occur on February 24 and 25 with the Pacific Union President chairing the committee. Let's keep Elder Keys and his wife in our prayers as they transition into this new ministry role and also remember the Conference Committee in prayer as it selects and elects a new conference president. Below is a letter from President Keyes.

To my Nevada-Utah Conference family,

It has been a joy to serve you all throughout these last 22 months. It's amazing how our love has grown for the people of this great conference in less than 2 years. It's also amazing to watch and see the great things God has done in this conference.

We have watch the baptismal growth grow in wonderful ways. We have seen pastors and teachers help their churches and schools grow in number as well as in the spirit of God.

For the first time in the history of our conference we now have over 10,000 members and at the present rate of growth we should easily have 11,000 by our next constituency session. We also have witness tithe and giving reach all time highs, with an approximate 8% tithe growth in 2015. God's people in this conference has shown their faithfulness in record ways. Our highest tithe ever, pushing the 7 million mark. Praise God from whom all blessings flow.

So with all of these blessings of God happening why would anyone in their right mind want to leave? The simple truth is that I don't really want to leave. However I also don't want to be a Jonah. When God calls, as crazy as it may seem the only way to be safe is to go where He leads. My wife and I have always wanted to be in the center of God's will and as much as we love the NUC we feel that we need to follow God's call back to Arizona.

We also believe that if God is calling us back to Arizona he most certainly has the right person in mind to come to the NUC and move it further then it has ever gone before. This conference has been blessed with great pastors, teachers, departmental leaders, and officers. They will keep this conference strong until the next president steps in to that roll.

It is my prayer that each of you will support the officers of this conference with all the earnestness you possess. Pray for each other, and don't forget my wife and me as well. We solicit your prayers as this new journey will be very challenging from all that we've heard. Most of all stay faithful to Jesus and when He comes again we will reunite in His kingdom made new. May God guide and bless the Nevada-Utah Conference

In His Service,

Ed Keyes

The series will be preached at both the Classic (10:20am) and the Main (11:30am) worship services and will also be live streamed and archived on ustream.com. WEEK OF PRAYER

Mountain View's *Week of Prayer* this year will feature guest speaker LeClaire Litchfield. Meetings will be nightly from Feb. 20-27 at 7:00 p.m. Also, each evening, we will practice a different creative way to pray. The week will end with an anointing service.

February 20 - 27 at 7:00 p.m.
Mountain View SDA Church

MEET OUR SPEAKER

Litch (LeClare Litchfield) grew up in Adelphi, Maryland, and attended Takoma Academy and Columbia Union College. He graduated from Southern Adventist University in 1974 with a degree in Psychology and Social Work, but it was a year in England as a student missionary working with Pastor Mike Stickland doing outreach (everything from coffeehouse to door-to-door to traditional evangelism) that was a spiritual turning point. After completing a ministerial degree at Newbold College, England, Litch married Shelly Jennings and they worked for four years in England, pastoring the Exeter and Southampton churches.

Returning to the U.S. in 1980, Litch began his "academy" years, working at Pine Tree Academy in Freeport, Maine, for two years, then Georgia-Cumberland Academy for seven years. He pastored the Knoxville church for four years before taking a job as chaplain at Collegedale Academy in 1993 until he retired July 1, 2010.

Litch enjoys working with young people because they are "some of the most spiritual people on the planet." He especially enjoys speaking at youth retreats. He enjoys racquetball and Indian food. He and Shelly have two "home-grown" sons, Ryan and Adam, who finished college in 2010.
