# Mountain View Messenger

Dear Brothers and Sisters,

Let me begin by apologizing for missing the last edition of the newsletter. With the shooting on 1 October, the Breath of Life evangelistic Meeting, Pastor Angel being out, staff downsizing and the holidays it has been an incredibly fast paced two and half months. We thank you for your understanding and patience and anticipate getting the Newsletter back on schedule in 2018.

Our church and city has endured much over the past couple months. The tragedy of 1 October shook us all but our community came together beautifully to aide in the midst of something so dark. Thanks for all you did to assist during that time. Our church was open for prayer after the shooting and we fed the first responders. Many of our members volunteered, gave blood and went to pray with the mourning at at the Las Vegas Sign and at the shooting site.

As you know, Pastor Angel was in a car accident the day after the shooting and has been recovering since. We continue to pray for his healing. We anticipate him back with us off of medical leave on January 10, 2018. Pastor Angel's mother and family have relocated here from Puerto Rico after the devastating hurricane that hit that island. Our church is assisting with the cost of the airfares to fly his family here. If you would like to help with this and other projects helping our members please mark your contribution "Benevolent Fund."

Other things that have happened since our last newsletter: Messiah's Mansion set up a replica of the sanctuary in the back field of the school and many people toured the tabernacle and learned about Jesus. The school had a successful Fall Festival, Science Fair and a tremendous Christmas Program. Missionaries came over Thanksgiving to do projects and repairs at Las Vegas Junior Academy. What a blessing they were. Our Adventist community came together to host and put on a successful evangelistic meeting with the Breath of Life speaker Dr. Carlton Byrd. Close to a hundred baptisms resulted with a new church being planted from the harvest! Pastor Neat from the Paradise SDA Church is now the pastor leading the new Breath of Life Church.

Over the last two Sabbath of December we will collecting our annual Sacrifice offering. This year our goal is to raise \$25,000.00 to go with \$35,000.00 in hand (total target goal of \$60,000.00) to purchase a bus for the Mountain View Church in the first quarter of 2018. Please prayerfully consider what you can give toward this worthwhile project. Mark your contribution "MVC Sacrifice Offering" or "MVC Bus".

We have been talking about the "Light My Path 313" media ministry for quite some time. I have scheduled to begin filming sermons in January. We would like to launch the ministry in late spring 2018 or early summer 2018. If we do this it will need to be a community effort. While I am willing to commit to this four year project, I cannot, should not and will not do it alone. So I feel it is critical to enter into a partnership with the pastors, the board, the elders, the conference, the union and most importantly you the church. Please take a moment and review the covenant insert in this newsletter and in your bulletin. A covenant must be two sided and so I am seeking the other half of the commitment. I pray that we can partner together and make this a team effort.

Your friend and brother in Christ,

BJ Boles  
Senior Pastor

# SACRIFICE OFFERING

On Sabbaths, *December 23<sup>rd</sup> and 30<sup>th</sup>*, we will be collecting our annual “*MVC Sacrifice Offering*”. We will have two trees up on those Sabbaths on the platform in the sanctuary that we will place our offerings on using colored envelopes. The goal this year for this special offering is to raise *\$25,000.00* to purchase a bus for our church. The money raised in the Sacrifice Offering will be added to some *\$35,000.00* that has already been donated. Our goal is to use these funds (Target total goal of *\$60,000.00*) to purchase the bus in the first quarter of 2018.

Would you prayerfully consider what you will give as a thank offering to the Lord for all He has done for you. This offering should be beyond your regular tithes and offerings. We invite each person of the congregation to bring a sacrifice offering on Sabbaths, *December 23<sup>rd</sup> or December 30<sup>th</sup>*. If you are unable to be there on those Sabbaths, you may turn in your offering on any Sabbath before or after so you can be included. Please mark your contribution envelope “*MVC Sacrifice Offering*” or “*MVC Bus*” May we each do our part in realizing this dream so this bus can glorify the Lord and be used by all the ministries of the church to further the Kingdom of God!

# LIGHT MY PATH 313

Below is a copy of an insert “*Light My Path 313 Covenant Response*” that is available in your MVC bulletins; at the church information desk and at the MVC Office. We invite each person of the congregation to respond to the appeal to be involved and support “*Light My Path 313*”.

We at the Mountain View Church are planning to begin a new and unique radio, video ministry called “*Light My Path 313*”. We desire to launch this innovative outreach approach in 2018 for Las Vegas, Nevada and the world.

“*Light My Path 313*” will be a dynamic radio and TV program to share the Gospel message by recounting the whole incredible Bible story from start to finish. 313 radio programs a year will air six mornings a week at 7:30am on AM 1060, FM 99.9 in Las Vegas. The visitor to the website [www.LightMyPath313.com](http://www.LightMyPath313.com) will be able to watch, listen and read each program and there will be links to the corresponding Bible passage and chapter in the Spirit of Prophecy.

Dr. BJ Boles will take people on an incredible journey across the scriptures through his engaging and dynamic storytelling. The goal is to use the radio program and website as a bridge to invite patrons to the Mountain View Church to watch a live filming of Dr. Boles on Saturdays.

“*Light My Path 313*” will be promoted through direct mailers, members inviting friends and billboards to drive commuters to listen to the program during their commute. In the end, we will film 313 sermons which will become 626 radio programs. The proposed four-year project budget is \$136,650.00 to be shared among four groups: The Mountain View Church, the Nevada-Utah Conference, the Pacific Union & private donors.

We invite you to partner with us to make “*Light My Path 313*” and this incredible opportunity possible. Sermons are set to begin in January, 2018 with the launch of the actual ministry waiting for all parties to enter into the covenant with a tentative launch target of late spring 2018 or early summer 2018.

## LIGHT MY PATH 313 COVENANT RESPONSE

*Before we as a church can begin and successfully complete the four year project of “Light My Path 313” it will take a partnership of seven groups (Pastors Boles, MVC Pastors, Church Board, Elders, Conference, Union and most importantly the Mountain View Congregation) entering into a covenant together. It will be the mutual collaboration in the Holy Spirit’s power working together and not just Pastor Boles alone that will make it a success to God’s glory!*

*Pastor Boles is appealing to you individually to enter into a covenant to support and do our part to make this exciting new ministry a success for Jesus!*

*It is my prayerful desire to support the “Light My Path 313 ministry with my:*

### Trusting in Impossible Situations

Zachariah received a divine visitation from God prior to the birth of John the Baptist, the cousin and forerunner of Jesus. Mary and Joseph also received a visitation from God's Divine emissary to inform them of Heaven's Divine plan of redemption.

What marvels me most are the human responses to the angel's messages.

Zachariah says to the angel, "...How can I be sure this will happen? I'm an old man now, and my wife is also well along in years." (Luke 1:18, NLT) Similarly, Mary responds to Gabriel's entreaty saying, "...But how can this happen? I am a virgin." (Luke 1:34, NLT)

Joseph's situation differs in that he is told that his fiancée is pregnant and he "...did not want to disgrace her publicly, so he decided to break the engagement quietly." (Matthew 1:19, NLT) After he receives the divine announcement in a dream however, the Bible says, "...He did as the angel of the Lord commanded and took Mary as his wife." (Matthew 1:24, NLT)

Put yourself in their place. Each one of these individuals were placed in an impossible situation. I ask myself, how do I respond when God places me in impossible situations? Do I allow my humanity to reign supreme or do I allow the will and the plan of God for my life to be my guide?

Each person I've mentioned made a decision to follow God's perfect will for their lives. How about you, what choice have you made?
