

<p>A bimonthly newsletter of the Mountain View SDA Church</p>	
<p>Volume: 4 Issue: 03</p>	
<p>May/June 2017</p>	

Dear Brothers and Sisters,

Mountain View Church is deeply saddened by the news that the Flippen family (from LVJA) lost their home to a fire recently. If you would like to contribute to help ease some of their burden, mark your offering envelope "Flippen family". Please keep the entire family in prayer as they go through these trials, that their needs be met and that they may rest peacefully in the blessings, comfort and hope of the Lord.

I would like to congratulate Pastor Amos Mwero for recently receiving his ministerial credentials from the Nevada-Utah Conference. While Pastor Amos has long been active in ministry here at Mountain View and officially part of the pastoral team for the past two years, we recognize this achievement and are very happy for him. May the Lord continue to bless him and his wife Grace in ministry!

You will notice on page three of this newsletter a revised "Worship Lineup". Of note is the name change for "RePreach" to "The Early" and it will be a complete worship service streamlined to 45 minutes. It will now start at 8:45am. The "Family Worship" service will now start at 9:40am and last an energy-packed 30 minutes! Please also note that "The Way" will be taking a summer break from June through August. However, the youth and Spanish groups will continue to meet throughout the summer.

The newly elected Nominating Committee has begun its spiritual deliberation and work reviewing the ministries of the church. The goal is to review, encourage and strengthen the existing ministries of the church while exploring new opportunities as well. There is a gift and interest survey that we encourage everyone in the congregation to fill out. The survey will let us know how you would like to be involved. You may find the survey either at the church office or at the information desk of the church. Please keep this committee in prayer during this important time. The Nominating Committee is a standing committee for the duration of the 2 year minister term, and is also charged with presenting policy, procedure and organizational recommendations to the congregation to vote on as needed.

The Mountain View Church is on a July to June fiscal year. The process of creating a new budget for the next fiscal year has begun. The proposed new budget will go through the Finance Committee, then the Church Board, and finally will be presented to the church congregation for a vote before July 1. Thank you for your faithful support of the local expenses and ministries of the Mountain View Church. Your financial support is needed to meet the \$26,564.00 of monthly fixed expenses. Please keep the church budget in your offering plans and pray for the committees as they plan for the financial needs of God's church.

Finally, Pastor Angel will be taking the months of June and July off on a conference-approved sabbatical. We pray this is a time of refreshing for him. Please, during this time, refer your pastoral inquires to one of the other pastors.

Your friend and brother in Christ,

BJ Boles
Senior Pastor

Dear Brothers and Sisters,

From time to time people ask me questions about our church budget, how tithing and offerings work, and what special projects need funding. I am again responding to these and other questions to further assist you in your regular contribution planning. May the Lord bless your financial partnership and multiply the blessing of your tithes and offerings.

Sincerely in Christ,

Pastor BJ Boles

TITHE vs. OFFERING

Both tithes and offerings are Biblically grounded principles of the Christian faith. God asks we return to him a tithe (10%) of our income. In the Seventh-day Adventist church, all tithe is sent to the Conference (in our case the NV-UT Conference) for the furthering of the Gospel work worldwide (salaries of pastors, administrators, evangelists and teachers). None of the tithe is kept locally. The local expenses of the Mountain View Church are funded by what is received in offerings. Those offerings designated for church budget which are given in cash in the offering plate and those contributions that are marked "General Fund" or "Local Budget" are used to pay all the expenses of the Mountain View Church.

LOCAL CHURCH BUDGET

The local church budget represents all the expenses of the Mountain View Church. The "Local Budget" includes: LVJA subsidy, worthy student assistance, mortgage, all utilities, support staff, facility repair/maintenance, outreach materials, Sabbath School materials, evangelism, ministry support, worship expenses and more. The current 2016/2017 budget of \$31,147.92 per month is \$1,499.00 less than the budget of 2015/2016. Our fixed expenses are \$26,564.00 monthly. We have been falling approximately \$2,500.00 short monthly in meeting this year's budget. We ask the congregation to prayerfully consider a regular monthly contribution to "Local Church Budget" to avoid cuts to the new proposed budget.

SPECIAL PROJECTS

It is important before diverting monies to special projects that we understand two key stewardship principles: Firstly, that tithe should not be redirected to special projects. Secondly, that we need to ensure, as a congregation, we are meeting our local church budget needs before giving to a special project. These two guidelines ensure the world work is supported and the local work does not suffer at the expense of a special project. Here are seven local active "Special Projects":

"Renovation (Phase 2)" - Renovating the Mountain View Church facility (non sanctuary).

"Bus Fund" - Seeking to purchase a minibus by end of the year.

"Evangelism" - Raising \$10,000.00 for the area wide meeting by Carlton Byrd in October.

"Radio Ministry" - Needing \$500.00 per month to keep radio program on the air.

"LVJA Support" - Assisting worthy students and to help MVC in paying monthly school subsidy.

"Community Service" - The need always outpaces income. Also, raising funds for new building.

"Pathfinders" - Raising funds to send club to camporee.

"Flippen Family" - Receiving offerings to help Flippen family whose house burned down.

10 COMMANDMENTS

The TENDER Commandments

May to July, Pastor Boles will be preaching a series on the ten commandments. We'll explore the ten commandments to gain new insights. We'll look at each commandment beyond the technical definition to understand the spirit of the law. We'll seek to find Christ in each commandment. We'll look at the commandments as positives instead of negatives. We'll see how they liberate rather than burden.
