Mountain View Messenger

Dear Brothers and Sisters,

I begin this letter with some very sad news. I am so sorry to share that our friend and sister in Christ, Merri Mickelson Pennington, passed away from health complications on Tuesday, March 27 at her home in Las Vegas at the age of 62. We will keep you updated as service information is available. We look forward to the Blessed hope of Jesus when we will see Merri and all those who are asleep in Christ. Until then may His peace and love sustain us in our sorrow. Let's remember Merri's daughter, Kristan Ann Pennington and the whole family in our prayers during this difficult time.

We are having our quarterly Fellowship Lunch on Sabbath, March 31 in the Las Vegas Junior Academy gymnasium after "The Main" worship service. All are invited to enjoy the food and fellowship. The theme is Mexican. If you would like to contribute a salad or desert. If you would like to assist with the setup, serving or cleanup please see one of the pastors or Donna White. All the Ministry Teams are requested to support the lunch. Thanks for your support. The next general Fellowship meals after this one will be: Sabbath, July 7; Sabbath, September 29 and Sabbath, December 15.

Our next communion will be the first Sabbath in April (April 7). Each of the four worships will celebrate the Lord's Supper. Foot washing will be set up in the LVJA gymnasium for participants to do before or after attending "The Early", "Family" or "Classic" worship services. During "The Main" there will be a break for the ordinance of humility. This will be a special time with a dramatization entitled "At the Table".

Recently we had a special presentation and highlight for the Holbrook Indian Academy. I would encourage you to check out their website for more information or on instructions on how to contribute to this important ministry. www.holbrookindianschool.org.

We are launching a collegiate (18-25 yrs old) Sabbath School Class on Sabbath, April 14. This class will be lead by Brad Goss and will meet upstairs above the "Brown" Room at the front of the sanctuary between 10:20am - 11:20am.

Mark your calendars for the official launch Sabbath of "Light My Path 313" which will be on Sabbath, July 7, 2018 with special guests from the conference and the radio station manager of KKVV. Also, joining us for a special concert and to unveil the brand new theme song for the ministry will be the King's Herald's Quartet. There will be a general fellowship lunch that Sabbath as well. The actual "Launch" program will be in the afternoon at 3:00 p.m.

Your friend and brother in Christ,

BJ Boles

LIGHT MY PATH 313

Thursday, March 22 was an historic day for the work of God in Southern Nevada and for the Mountain View Church. We signed the 4-year radio contract for "Light My Path 313" and were able to pay for it up front saving over \$6,000.00! Also, the Pacific Union approved our request for \$25,500.00 to fund the advertising and promotion blitz of "Light My Path 313" this summer. To God's glory that means we either have in hand or have commitment for \$94,000.00 of the four year budget of \$131,350.00! This leaves about \$37,350.00 left to fund through the Mountain View Church budget and donations. We thank you for your faithful support of the local church budget and for your donations to the "Light My Path 313" ministry!

Pastor signs the radio airtime contract and the pastors pose with the KKVV radio manager.

LIGHT MY PATH 313

TAPING SESSION

On Sabbath, April 14, Pastor Boles will begin preaching the “*Light My Path 313*” sermons. In order to accomplish the goal of 313 sermons over four years each year has been divided into 4 ten-week taping sessions. In each ten-week taping session Pastor Boles will preach 20 different sermons. The first taping session will run from April 14 through June 16. Each Sabbath two different sermon topics will be preached (one from the Old Testament during “*The Main*” and one from the New Testament during “*The Early*” and “*The Classic*”). Each sermon will have a number between 1 and 313 indicating its position in the sequence.

COMPLIMENTARY READING

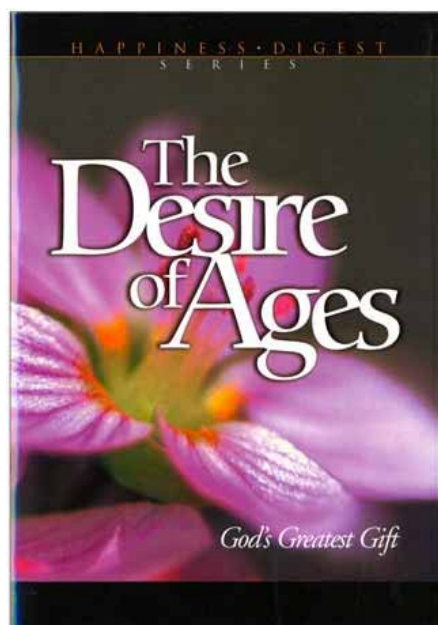

Each of the 313 sermons (talks) in the “*Light My Path 313*” series will be completely unique. However, they will follow the topic sequence of a series of books by Ellen G. White. These books will serve as complimentary reading to lead the participant into a deeper exploration and understanding of the topic. For the Old Testament sermons the first book will be “*Patriarchs and Prophets*” and for the New Testament series the book will be “*Desire of Ages*”. The topic schedule and the individual study guides will direct the reader to which chapter in the book corresponds to the sermon (talk). These two books are available online for free at www.WhiteEstate.org (you can read or listen free. The Mountain View Church will be purchasing paperback copies of the books that will be available as well.

STUDY GUIDES & MORE

For each of the 313 sermons (talks) in the “*Light My Path 313*” series there will be a study guide for the participant to follow the sermon outline, take notes and study the complimentary chapter in the companion book. Online will be more material where the visitor can explore either by watching, hearing or reading the talk again or getting caught up on one talk they missed. The website: www.LightMyPath313.com or www.LMP313.com will also have links to the Bible passage for each talk to study further.

TOPIC SCHEDULE

On the next page of this newsletter is the topic schedule for the first 20 sermons (talks) in the “*Light My Path 313*” series. It includes the title of the talk as well as the corresponding chapter of the companion book. Please note that occasionally because of special worship events the schedule will be different. While each Saturday there will be two topics presented, which service they are exclusively presented might be altered. So watch the schedule carefully. In this taping session there is only one such schedule alteration and that is on April 28.

Forgiven Much, Loved Much

Let's go back in time to the weekend Jesus died on the cross. His followers are in a daze because Jesus, the master and teacher, is dead. It is just too much for Mary Magdalene, one of His followers, and she has to be near Him. Without regard to her personal safety, she rushes to the tomb in the early morning while it was still dark.

When she arrives, the stone has been rolled away and the tomb is empty. In this moment of shock and disbelief, Mary's first response is to run. She must report what she has just seen. She finds Peter and the other disciples and tells that someone has taken away the Lord's body and she does not know where they have taken Him.

Peter and John run toward the tomb, John first and then Peter. They discover that Mary's observation is correct. They return home to report their findings to the others, but Mary stays.

While standing outside of the tomb, Mary gets the opportunity of a lifetime. She becomes the first (human) to talk to Jesus after his resurrection. Why is this significant? I am not really sure it is. But what I am sure of is this; no matter what happened, Mary wanted to be near him. She truly loved the Lord. In the text when she discovers that the man she thought was the gardener was Jesus, she reached out "...to cling to him". (John [20:17](#))

Whenever I read this account in John 20:14-18, I think about the fact that we should all love Jesus the way Mary did. Mary had been forgiven much, and so she loved much. The truth is, we all have been forgiven much, so we all should love Him much more.

Aligning Our Hearts with His —

BY FAITH HOYT, WITH MELODY DARROW

Women's Ministries Seminars Bring Las Vegas Women Together

Nevada-Utah Conference Women's Ministries Director Melody Darrow is all about uniting women to strengthen each other in their walk with Jesus. While looking for opportunities to bring women in the Las Vegas area together, Darrow connected with Denetra Gary, a licensed social worker. Gary runs Complement and Complete, a ministry designed to provide spiritual counseling for women.

Darrow invited Gary to present a four-week seminar in Las Vegas, starting the second weekend of January. These speaking events, hosted by the Mountain View church, drew women together from more than a half dozen other churches for fellowship, food, and spiritual renewal. "God is continually wanting to work in each one of our lives, but we have to allow Him to," Darrow said. "In these seminars, we are encouraged to examine the roots that have stagnated

us and pray through them and surrender them to God."

The series of seminars, titled "Aligning Our Hearts with His," included four main aspects: helping women overcome emotional roots that lead to sin, realigning focus so that women desire to prepare for Jesus' second coming, improving communication with men, and staying connected to Jesus.

Gary spoke on how to get rid of emotional roots that cause issues—and why it is so important to address them. "These roots cause us to exhibit negative behaviors such as anger, depression, and anxiety, just to name a few," Gary said. "I guide them through the process of cooperating with Christ to discover the root, and prayer to restore our brain and develop new patterns of thinking. Essentially, it's taking 2 Corinthians 10:5 and applying it directly to our life to overcome negative thinking."

Gary uses the Bible to help women through the process of complete healing. She's dedicated to

studying God's Word and using it as the means to effect change. Her desire is to help women elevate their

standard in Christ from focusing on the things of this world to focusing on preparing to meet Him when He comes.

Darrow observed that many were blessed by the seminar series. "This was a great opportunity for us to learn new information and spend time together," said one participant.

The seminar encouraged many to examine their spiritual lives. "One of my goals as the women's ministries director is to encourage our women to have a closer relationship with God and through that relationship find healing and wholeness," said Darrow. "This seminar, with Denetra Gary's insightful approach, is just one of the steps to help us achieve that goal."

Gary's website, www.complementandcomplete.com, provides additional insights for women struggling with various issues.

Build and Restore International Gives Las Vegas Junior Academy a "Face Lift"

BY FAITH HOYT

In a series of fortunate events, Las Vegas Junior Academy's campus received help with major renovations late last year through the generosity of California-based organization Build and Restore International.

Build and Restore, a non-profit ministry that takes volunteers on short-term mission projects in communities around the world, was founded by Ostap Dzyndra in February 2016. Since then Dzyndra has led over 43 mission trips.

During his search for another mission project, Dzyndra called Deborah Dahl, principal at LVJA. Dzyndra had met Dahl several years ago when she worked as a principal at a school in California where Build and Restore had volunteered. When he asked if his organization could help out once more, he learned about Dahl's new location and the needs of LVJA.

"I was delighted to tell him I could use some help with repairs and renovations," said Dahl. She gave him a list of their needs, and they scheduled a week in November for the volunteers to come. As soon as they arrived, the 36 volunteers who joined Dzyndra got to work. "They arrived with all the needed materials," Dahl said. "When they saw my classroom floor, they went to Home Depot and purchased flooring for my

classroom in addition to all that they had purchased prior to coming to our school."

Among their many tasks, volunteers helped put down new flooring in the office and second grade classroom, tiled walls in the girl's restroom, replaced faucet fixtures, and painted walls and cabinets. "It's amazing how they fixed everything we needed," an LVJA student said.

In order to make the mission trip financially affordable for the volunteers, the school housed them in classrooms. One school family donated \$300 toward the purchase of meals for the volunteers. Additionally, church members in the area helped provide meals. Many contributed to the project,

school, and I found a company that collects paint that has never been used," Dzyndra said. After speaking with the manager of the company, Dzyndra purchased 45 gallons of paint for \$160, saving \$1,280. "That number was confirmation that we did the right thing for LVJA!" he said.

According to faculty and students, the renovations made a huge difference for their campus. "LVJA has been in need of a 'face lift' in certain areas for many years," Dahl said. "Although we've made some major improvements, there was still much work to be done." Dahl says the missionaries gave them just what they needed. "God's presence is made known through blessings like these."

including teachers, parents, and alumni.

Help came from the community as well. "We needed 50 gallons of paint for the
