## SPECIAL 'LIGHT MY PATH 313' EDITION

Dear Brothers and Sisters,

Welcome to a special edition of our newsletter dedicated to our new media initiative "Light My Path 313". In the next newsletter we will have some pictures of the recent Pathfinder and Adventurer Induction. Remember that **Vacation Bible School is July 23-27!** Also a special congratulations to all the recent graduates of Las Vegas Junior Academy and to all the graduates within our congregations from Kindergarten, elementary, high school and college/university. We are proud of you!

Benjamin Sun-Carbajal was introduced as our newest volunteer lay pastor. Benjamin is the fifth grade school teacher at LVJA. We will ensure his volunteering at the church does not conflict or impede his first calling to the school. Pastor Ben will be volunteering part time and focussing his ministry on the new "Light My Path 313" ministry and was appointed the new director.

July 7 was a high day at Mountain View as we officially launched the "Light My Path 313" ministry. Our guest speaker for the worship services was Elder Carlos Camacho who is Executive Secretary for the Nevada-Utah Conference. We had a wonderful lunch and the tables looked so elegant with a center piece displayed, A beautiful three-tiered cake displayed the "Light My Path 313" log on it. Thanks to Donna White and her whole team of helpers. The Parade of Nations was spectacular with over 44 countries represented. It was so fun to see the cars honking in support as the flags marched in front of the church. Isn't it so beautiful we have such a diverse church! Pictures of the day are included in this newsletter. The launch program saw several special guests sending messages: Dr. Leon Brown (President of Nevada-Utah Conference; Mike Tucker (Speaker for Breath of Life); Paul Suh (Director of LLBN Korea); John Dinzey (Director 3ABN Hispanic); Tony Anobile (VP for North America Division), Pastor Robert Costa (Associate Ministerial Secretary GC) was the speaker. We had a baptism and Profession of Faith that brought 6 into the kingdom and the event wrapped up with Elder Camacho offering a prayer of blessing over "Light My Path 313", Pastor Ben and I.

The King's Heralds were suppose to be here on July 7 and unveil the new theme song for "Light My Path 313". Unfortunately due to medical reasons the group is not touring right now and could not attend. For the same reason they were unable to create the theme song. The song selected to be the new theme song of the ministry is "Thy Word" by Amy Grant.

I hope you enjoy this special edition of our Newsletter... Your friend and brother in Christ,

BJ Boles  
Senior Pastor

# Q & A

## An interview with Dr. BJ Boles

### **What is “Light My Path 313”?**

“Light My Path 313” is a new radio/tv/media ministry where I will present 313 sermons (talks) spanning the whole incredible Bible story from Genesis to Revelation. These talks will air on the radio locally in Las Vegas 313 mornings a year (Sunday through Friday). The website will be a place where the visitor can hear, watch and study further through a self guided journey through the Bible. Each of the 313 talks will have a companion reading in one of six books by Ellen G. White. There will be a chapter of supplemental reading for each talk. All the talks will be filmed live at the Mountain View Church (6001 W. Oakey Blvd. ~ Las Vegas, NV 89146).

### **Where did the idea come from?**

This has been a dream of mine for quite a long time. The idea to have a journey through the whole Bible from start to finish has always excited me. An opportunity to make relevant the truths of the Bible and lead the participant on a practical journey through the most wonderful story ever. It excites me to provide such a rich environment for the Holy Spirit to lead the explorer on a journey of spiritual discovery.

### **What process did it go through to begin and launch?**

The idea of this ministry began to be discussed with the pastors over 3 years ago. Then it went through a process with the elders and board. The first time the concept was revealed to the congregation was at the grand reopening at the early part of 2017. Since then, ‘flesh was put on the bones’ to the project. As funding was sought the concept also went through the Nevada-Utah Conference and the Pacific Union.

### **Who is funding it?**

The funding for the four year project is a shared venture with the Pacific Union, Nevada-Utah Conference, the Mountain View Church and private donors.

### **What does the 313 mean?**

The “313” comes from several places. Firstly, there are 313 radio programs a year. Secondly there will be 313 talks overall in the project. Lastly, there are 313 chapters in the six books being used as companion reading for the talks.

### **How long will “Light My Path 313” last?**

While the project to complete all the content will be four years, we pray this ministry will continue to spread the Good News until Jesus comes.

### **What is the goal of “Light My Path 313”?**

The goal of “Light My Path 313” is to spread the Good News of Jesus and the beauty of the story of God’s love and His truth with the community of Las Vegas and the world. We also pray that listeners to the radio program will come visit the Mountain View Church to hear a live presentation.

### **How is “Light My Path 313” run?**

An organization document was ratified by the Mountain View Church Board. The “Light My Path 313” Director working with the Speaker handle the day to day operations. There is a steering committee made up of the pastoral staff, the head elder and the treasurer that handles the general operation and oversight. The Mountain View Church Board plus representatives from the conference and union comprise the “Light My Path 313” Board which makes the major decisions and is the accountability authority for the Steering Committee, Director and Speaker.

### **What is next?**

Well the next steps are to finish the website which should launch in August. Then there are some technical challenges we are having with the LIVE streaming that need to be resolved. Some of the talks have to be redone because the quality was not good. I am redoing these during “The Early” worship service. We still are developing a team of volunteers to assist with greeting, oversee the social media and assist with post production. Once those items are done then we will launch our public advertising campaign.

# RADIO CONTRACT

Thursday, March 22, 2018 was an historic day for the work of God in Southern Nevada and for the Mountain View Church. We signed the 4-year radio contract for "Light My Path 313" and were able to pay for it up front saving over \$6,000.00! Also, the Pacific Union approved our request for \$25,500.00 to fund the advertising and promotion blitz of "Light My Path 313" this summer. To God's glory that means we either have in hand or have commitment for \$94,000.00 of the four year budget of \$131,350.00! This leaves 3 1/2 years to raise \$37,350.00 to fund through the Mountain View Church budget and donations. We thank you for your faithful support of the local church budget and for your donations to the "Light My Path 313" ministry!

Pastor Boles signs the radio airtime contract and the pastors pose with the KKVV radio manager.

Pastor Melody rings the "Gospel Bell" and Pastor Boles sits at the radio mic.

The Mountain View Pastoral staff has a dedication prayer with the KKVV radio manager

## LIGHT MY PATH 313

We at the Mountain View Church are beginning a new and unique radio/video ministry called *“Light My Path 313”*. We are launching this innovative outreach approach to reach not only Las Vegas but the world with the good news!

*“Light My Path 313”* is a dynamic radio and TV program to share the Gospel message by recounting the whole incredible Bible story from start to finish. 313 radio programs a year will air six mornings a week on AM 1060 in Las Vegas. The visitor to the website [www.LightMyPath313.com](http://www.LightMyPath313.com) will be able to watch, listen and read each program and there will be links to the corresponding Bible passage and chapter in the Spirit of Prophecy.

Dr. BJ Boles will take people on an incredible journey across the scriptures through his engaging and dynamic storytelling. The goal is to use the radio program and website as a bridge to invite patrons to the Mountain View Church to watch a live filming of the program on Saturdays.

*“Light My Path 313”* will be promoted through direct mailers, members inviting friends and billboards to drive commuters to listen to the program during their commute. In the end, we will film 313 sermons which will become 626 radio programs. The proposed four-year project budget is \$136,650.00 to be shared among four groups: The Mountain View Church, the Nevada-Utah Conference, the Pacific Union & private donors.

We invite you to partner with us to make *“Light My Path 313”* and this incredible opportunity possible. We would like for the whole congregation to be involved! # BLESSING

Elder Carlos Camacho prays over Dr. BJ Boles and Pastor Benjamin Sun-Carbajal.

*Dear Heavenly Father,*

*We come before your presence today with a special purpose to ask a blessing over “Light My Path 313” and Pastor BJ and Pastor Ben.*

*You are the God of heaven and are different things and fulfill different responsibilities for all your people. At the end of the day, you are Almighty God and we ask for all that we need so we are able to fulfill the mission you have given us.*

*Father we believe in you and in Your mission to take to the world the message of Your Love in Christ Jesus. Teach us Lord all we need and help us accomplish that through this new ministry.*

*This Ministry, as Pastor BJ said, is a “one-stop shop” for people to get the whole Bible story. I cant wait for the years to go by so we can look at it and think of this moment when we launched and see how greatly You have blessed.*

*We want to please you Lord! We want this ministry to be able to reach the hearts and minds of many many people... not just 10% or 20% but but whatever percentage you have in mind Father.*

*Lord, be in a very special way upon Pastor BJ as he is not only going be speaking, which is the easier part, but actually preparing these sermons and taking time to study Scripture and study those writings of Ellen White. May he be able to put them in sermons and divide them up in a way that makes sense and is appealing to people. I pray for Pastor Ben and Pastor BJ... be with their families... for their wives and children. Thank you for the ministry of these men and for all the leaders and people in this church.*

*I pray for those who are leaders and all who have committed their lives to this ministry. I pray you will give each one of them what they need to go on an do what you want them to do.*

*Finally Father I want to recommit my desire to be an advocate. That all here can commit to doing whatever is necessary to see this ministry glorifies you and grows Your kingdom. I am asking that the people who are here and who are listening will come to know you Father and dedicate themselves to You.*

*Thank you Father and we pray and ask all these things in the name of Jesus*

*Amen*

It's going to be out of this world!
